Delegated Regulation (EU) 65/2014

|                                                                                      |                  |
|--------------------------------------------------------------------------------------|------------------|
| Supplier name or trademark                                                           | <b>HANSA</b>     |
| Model identifier                                                                     | <b>FCMX68209</b> |
| Number of cavities                                                                   | <b>1</b>         |
| <b>Cavity 1</b>                                                                      |                  |
| Energy Efficiency Index                                                              | <b>95,1</b>      |
| Energy Efficiency Class                                                              | <b>A</b>         |
| Energy consumption per cycle (conventional mode)                                     | <b>0,99 kWh</b>  |
| Energy consumption per cycle (fan-forced convection mode)                            | <b>0,77 kWh</b>  |
| Heat source                                                                          | <b>Electric</b>  |
| Volume                                                                               | <b>62 Litres</b> |
| The model has been granted an 'EU Eco-label award' under Regulation (EC) No 66/2010. |                  |
